Grand Canyon Trip Winners

Jack and Paula Harris

First and foremost, I would like to thank Micky Dixon, owner of "Travel Planning For You, for her generous donation of two tickets on the Grand Canyon Railroad. This is the second time she has donated tickets to help expand the appeal of our raffle at the train show. Her tickets helped improve ticket sales by offering rail fans and non-HO modelers an appealing option to participate in the raffle.

Her website is www.travelplanningforyou.com. If you are planning a trip or cruise, please give her your consideration. As a travel planner, she has the expertise and assets to make your next vacation a lot more enjoyable and hassle free. We should help support those who help support us. The tickets for the Grand Canyon Railroad come out of her pocket, and we benefited from her generous gift. So give her your business, or even a thank-you at <mailto:micky@travelplanningforyou.com>.

The second drawing was held for the Trip for two on the Grand Canyon Railroad, and ticket # 335556 was drawn, belonging to Jack & Paula Harris. If their name sounds familiar, it is because they won the same Grand Canyon trip at our last show in July!!!

Some might call them lucky, some might find it unbelievable, but skill played a big part in their winning. They ended up purchasing 140 tickets during the 2 day show, increasing their odds of winning significantly. So, Congratulations to them, and a big thank you from us for supporting SAMRA
